Text

Located at 541 King Street, King Dusko is Charleston's premiere hangout locale with coffee & tea, a beer and wine bar (as well as outdoor biergarten) and a local art gallery with various events hosted inside and out. With weekly events like silent discos and singer songwriter nights, King Dusko is the place to be for weekday and weekend night events in midtown. Come check us out soon!

Wireframe

The name of each frame corresponds to a CSS ID in the provided style.css file

- container
- header
- nav
- content
- coffeecup
- description
- info
- menu

- address

Your task for this lab

Complete the provided lab01.html webpage using the provided wireframe, presentation (style.css file), and text information.

When submit only the lab01.html file to dropbox.

Hints

- Frames represent HTML div tags
- In the nav frame use an unordered list with six list items
- All the styles needed to create this webpage are provided in the style.css file (i.e. you don't need to add, update, or remove any styles to complete this lab project).
